

The company PAPERPACK TSOUKARIDIS. SA has developed, implemented and maintains a Quality Management System (QMS) in accordance with the requirements of ISO 9001: 2015, with main themes:

- meeting the requirements of its Customers and the applicable Standards and Specifications,
- the permanent control of the processes and functions,
- achieve defined Objectives and Quality,
- continuous improvement of the effectiveness of the QMS.

The activities of PAPERPACK SA, which are included in the scope of the Quality System, are:

### **DESIGN AND PRODUCTION OF PAPER PACKAGING BOXES, LEAFLETS, BLISTER CARDS AND PROMOTIONAL SHOWCASE**

Our STRATEGY recommends:

- maintain and strengthen the leading position of the company in the paper packaging industry in Greece.
- the expansion of the company's presence in the European and global market.
- improving competitiveness with new investments to reduce production costs.
- developing new products with high added value
- the satisfaction of customers, associates and stakeholders
- using the latest and excellent technology equipment
- using excellent materials
- eliminating accidents when implementing our products / services
- the commitment to provide all necessary resources for the maintenance and continuous improvement of Total Quality System.

Applying our strategy, we commit ourselves to the following OBJECTIVES:

- continuous training of employees
- zero complaints from interested parties
- continuously improving the effectiveness of Quality System processes.
